

ASW Virtual Choir - Carols to Record – Church Family

Congregational Carols

We are asking our wider church family to join in and record the carols, so we have really good congregational singing. Do what you can, if you can't do them all.

You can get other members of your family to record and upload using your app. (One voice at a time, though, ideally, but you could try as a family, but you'll need a choir leader with the headphones on.)

Please record in the order below and follow the deadline dates for submission of your recording.

Away in a Manger – *03 December or before (Lots of children recording this one please)*

Silent Night- *03 December or before (Really important – try and do this one, plus as many kids as possible taking part)*

O Little Town of Bethlehem - *03 December or before*

O Come all ye faithful - *05 December or before*

Once in Royal David's City - *07 December or before*

While Shepherds watch their flocks by night - *07 December or before*

Hark the Herald Angels Sing - *09 December or before*

In the Bleak Mid-Winter - *09 December or before*

Joy to the World - *09 December or before*

You will need to download the Carol Sheet that has all the words on.

Don't forget, we need a head and shoulders photograph of everyone that has uploaded a recording. Email to Gary Oaten or send to him via What's App or Text – 07583 031953

Thanks, Gary (and Pippa) x
